

Sun River Gardens Community Sponsorship Application Requests

Sun River Gardens love people-to-people connections, and believe that meeting neighbors and working towards common goals help develop strong communities.

To apply for a donation, this application must be completely filled out 3-4 weeks prior to the date needed. Letters, brochures, and the like need to accompany the application but they do not replace it. The application must be received 3-4 weeks prior to your event date for consideration.

About 70% of donations are allocated for garden and community-related organizations. 20% to educational organizations and groups that support children and the remaining goes to other groups. The average donation is \$25.00 to allow us to help more organizations.

A completed application is not an agreement to honor your request. Donations will not be given more than one time within the calendar year. A previous donation does not guarantee a donation will be offered again. By accepting a donation you are giving us permission to publish your organization as a recipient of a donation. While we would like to be able to meet every request, we must focus on our efforts on those that provide the most benefit to Sun River Gardens.
